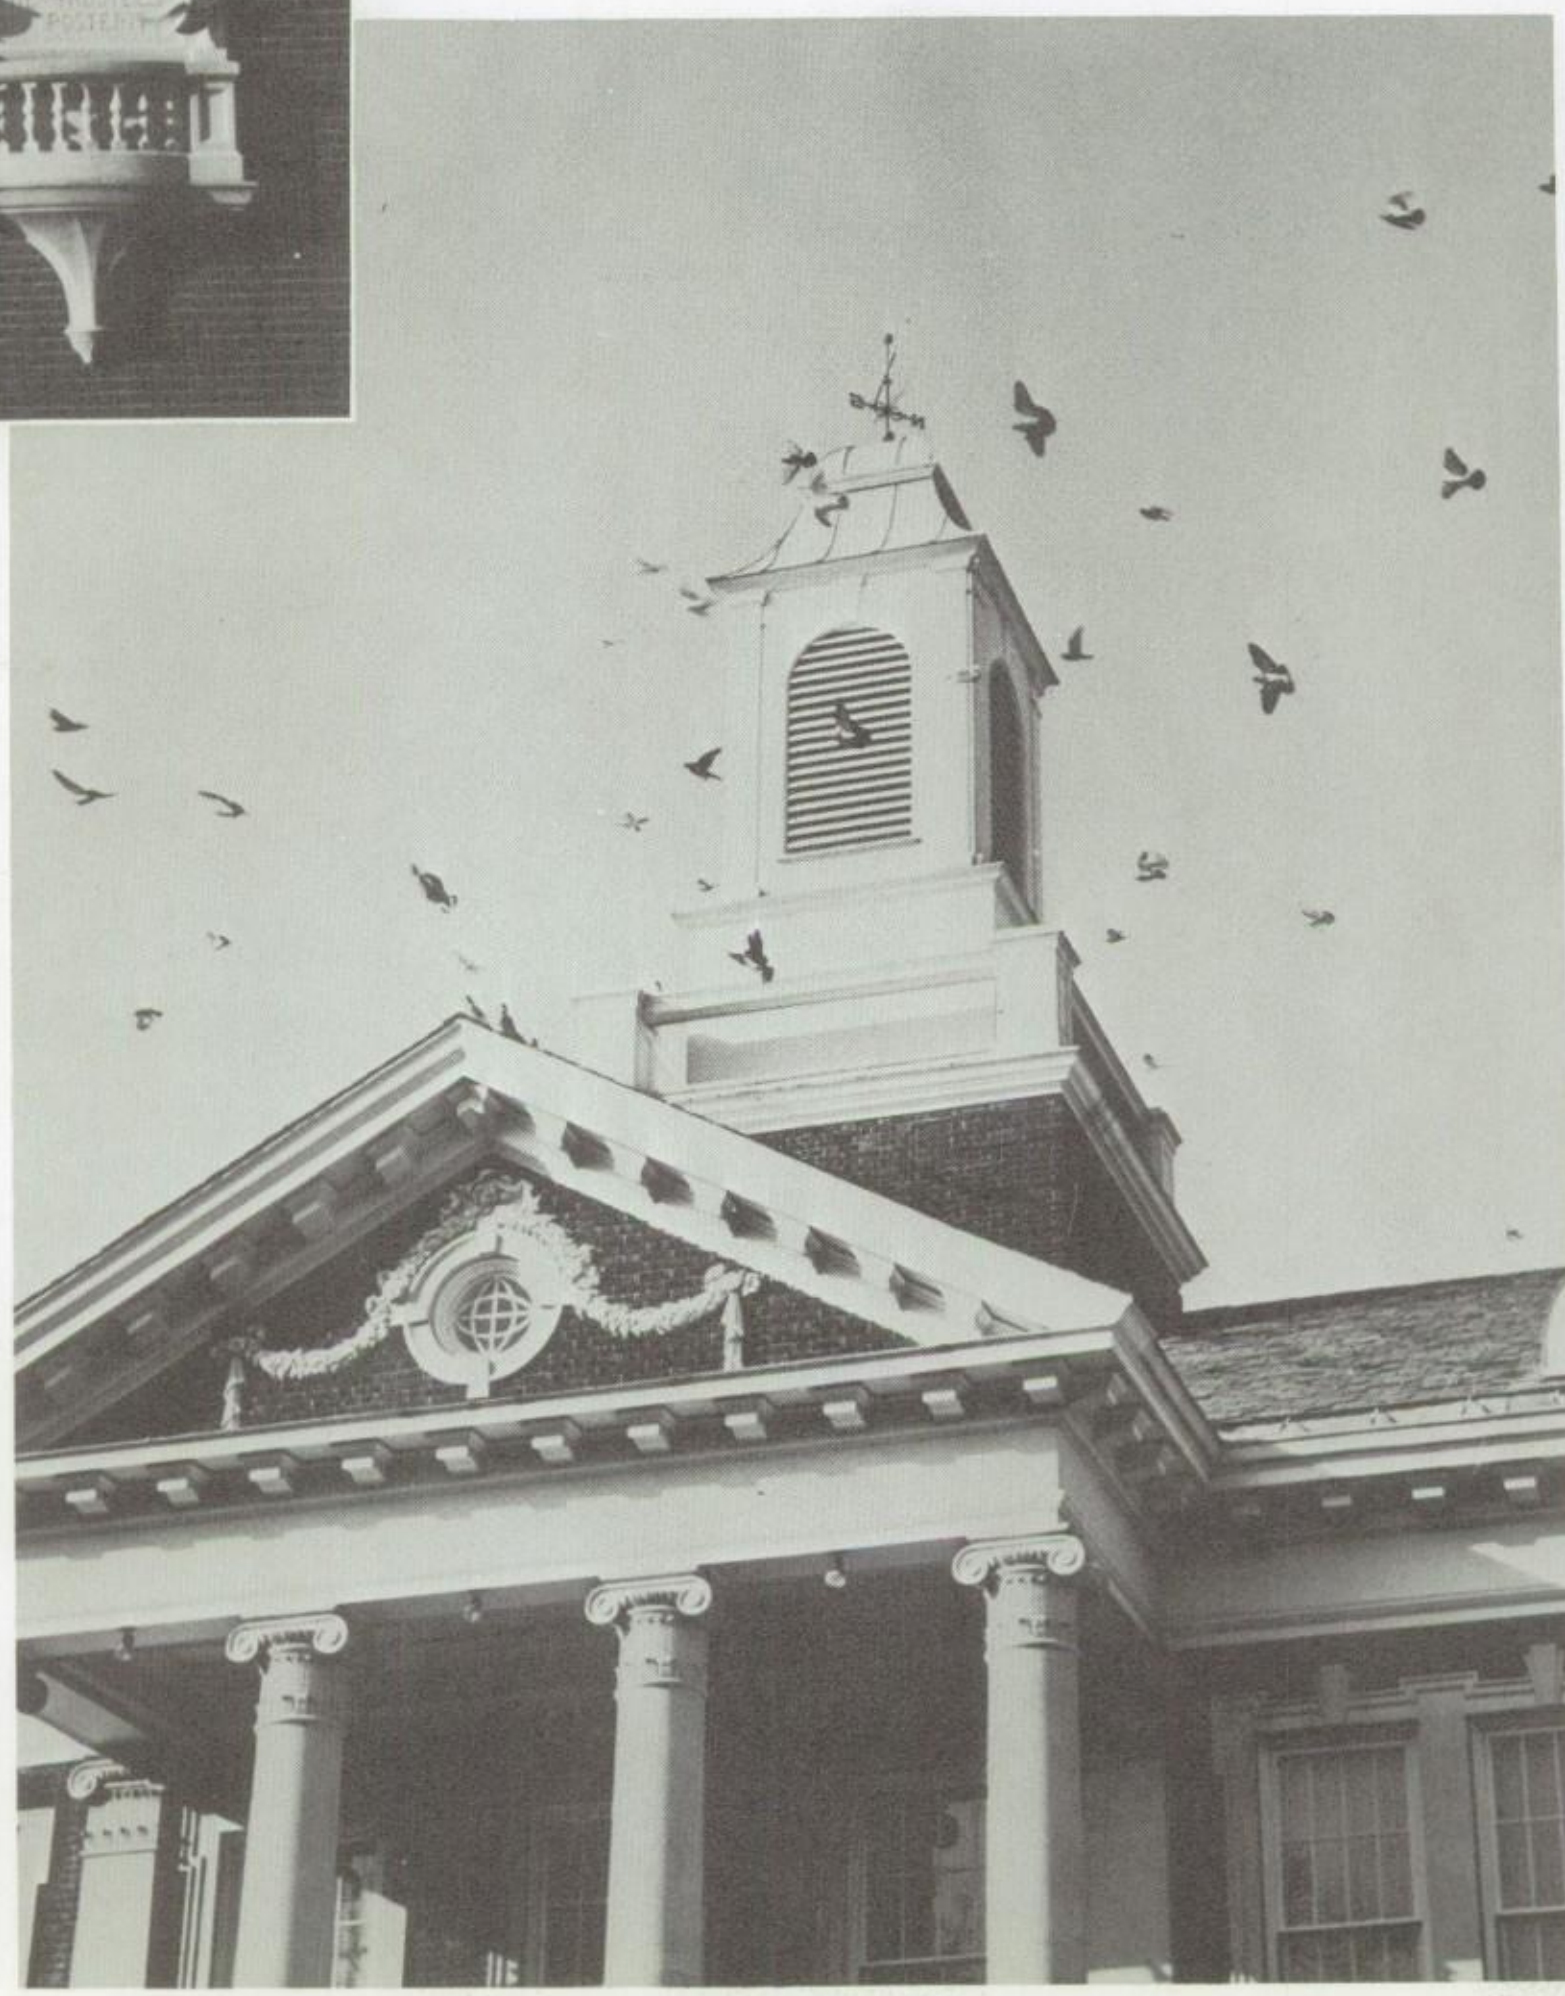
The Class of 1961

Riverhead High School

Riverhead, New York



Foreword

Oddly enough a parallel may be drawn between our lives and the lives of the pigeons which roost on R. H. S.

The pigeons do resemble us. Just as the fleglings leave the security of their nest to venture into the unknown, so we, upon graduation, leave Riverhead High School to embark upon the voyage of life. Just as the elder pigeons prepare their young to be self-sufficient, so our teachers prepare us for a college education or the career ahead of us. And even as the pigeons would return to Riverhead High if taken away, so we will return, at least mentally, to reflect upon our years spent here.

In life one must learn to cope with all situations, pleasant or otherwise. The pigeons help us to learn this fundamental lesson of life. Troublesome though they may be, we must accept their presence.

We have chosen to build our yearbook theme around the pigeons because we feel that they are a part of life at Riverhead High School.

Dedication

To you who have broadened our interests and made our lives fuller by instilling in us an appreciation of art in its manifold forms; to you who have touched each one of us in some way with your unfailing kindness and ingenuity; to you who have given your help unselfishly whenever we have turned to you in need; to you, Miss Josephine Bruno, we gratefully dedicate—our yearbook.

FACULTY

It is not easy to guide a student along the road to maturity and wisdom. Many have worked to make our education a success. Planning the curriculum, teaching their fields, guiding our development, the faculty and administration of R.H.S. have more than excelled in their work.

SENIORS

It is a law of nature that all young, having been guided and protected in early life by their elders, must at some time set out to make their own place in the world. We, the class of '61, are now ready. Having gained in knowledge and maturity, we shall go forth to prove ourselves worthy of the respect and responsibility which is a part of life.

SENIOR CLASS OFFICERS

President .....Howard Jackson
Vice-President .....Allen Smith
Secretary .....Dorothy Porrello
Treasurer .....Lynne Demarest

Class of '61

In the annual magazine campaign the class of '61 is the first Senior class to not only reach their goal but to surpass it. The Senior wall at the Halloween Dance "walked away" with first prize. "Wonderland by Night" gaily climaxed their class dances.

Pigeons, flying higher and higher into the heavens to discover new and different places, are symbolic of the students' progress through their years of high school. Each succeeding year, the student explores new fields and increases his knowledge to prepare himself to be an informed and well rounded citizen.

Class of '62

During their three years of high school the Juniors have proved themselves hardworking and ambitious. They are sporting their own class beanie, and have for the first time since 1941, standardized the class ring. If they keep up the good pace, they will surely achieve their goals.

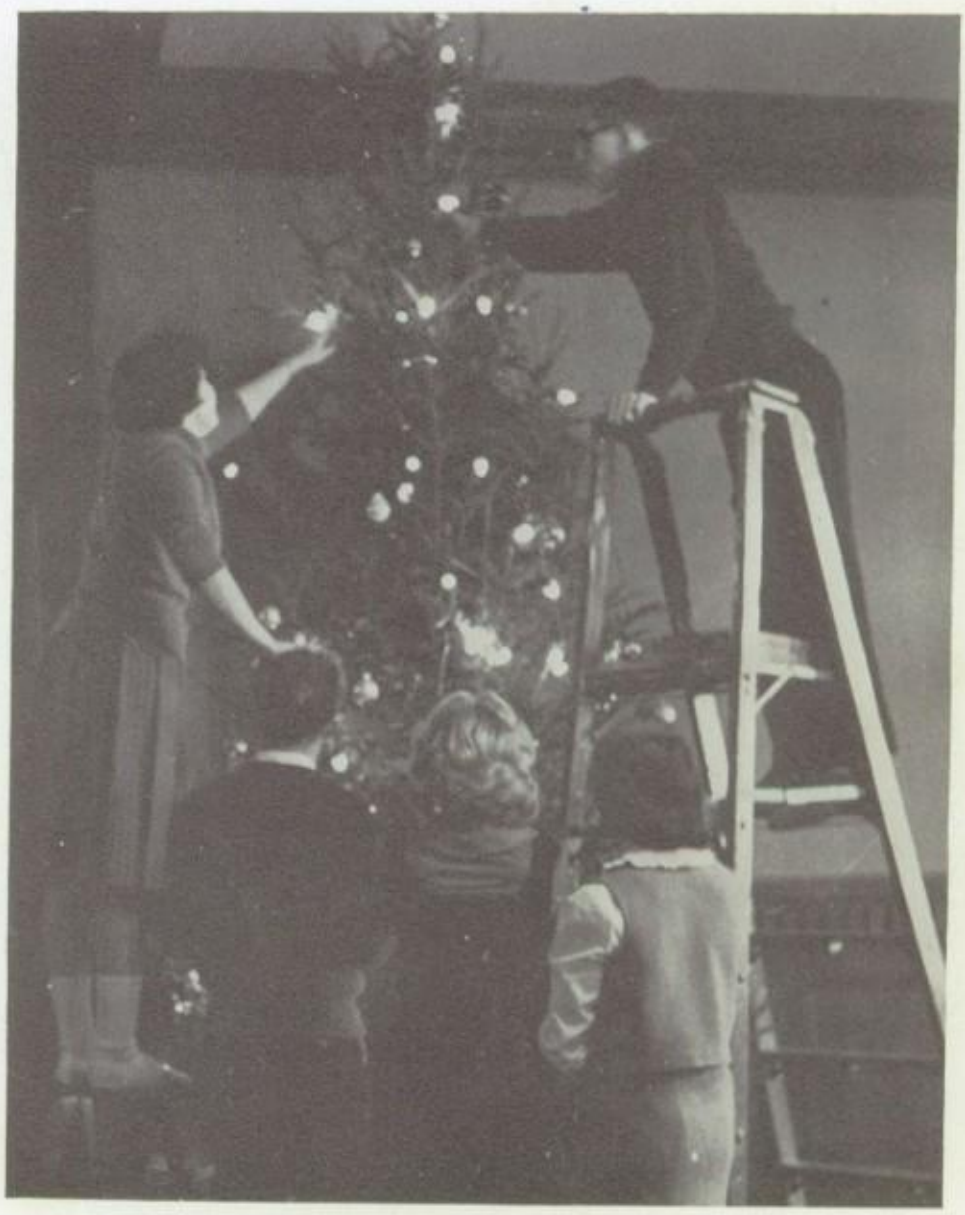
Class of

'63

Sophomore literally means "wise fool". Although a sophomore is still young, he is beginning to show signs of wisdom and ambition. This year the class of '63 sold R.H.S. book covers and held a successful class dance.



Santa's helpers are keeping up with the old Sophomore tradition.

SPORTS

Sally
Best of luck
To a swell girl
and friend
Joe

In flight each pigeon represents an essential member of the whole flock. The members of a team must be able to work cooperatively as well as individually. Realizing this, the sportsminded students of R. H. S. have drilled in teamwork to attain the cooperation which brings success.

Kneeling: Wayne Swiatocha, Fred Wilkinson, Joe Weinski, Mike Slovensky, Tom Naugles, Buddy Griffiths, Allen Smith, Bill Fabb, Al Daniels, Billy Kukla, Tom Donnelly, Rocky Nelson, William Armstrong, Louis Gatz, Frank Pollak.

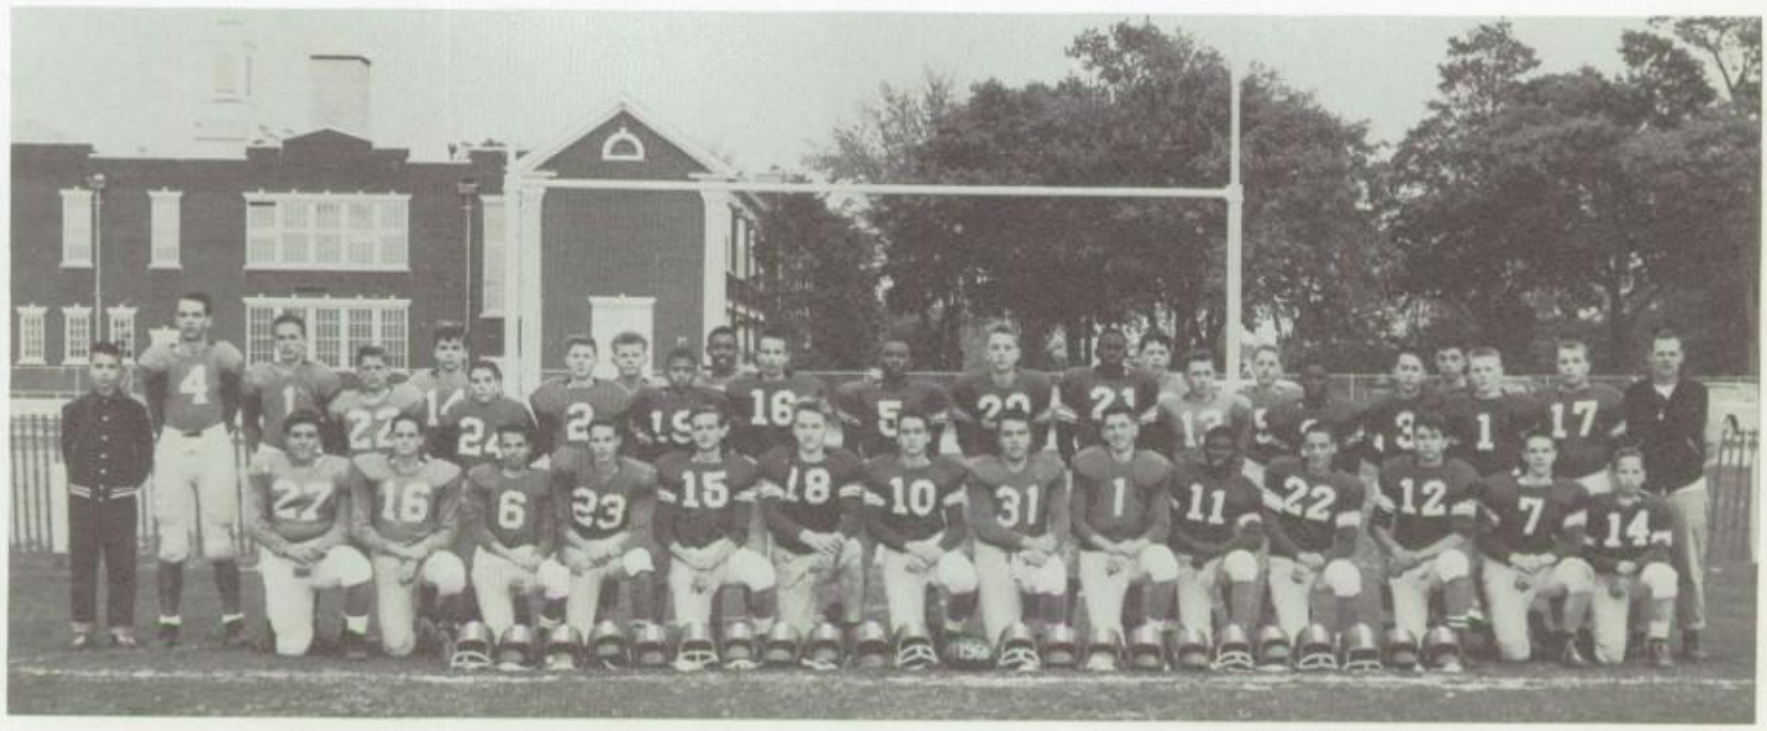
THE LINE UP

Short on seasoned players, the spirited R.H.S. football team, with hours of practice and play, rapidly increased their skill and rallied to a commendable 5-3 record with their total points pressing the 200 mark.

Special awards were given to our most skilled players: Bill Fabb was honored as All-League Quarter-back by the Long Island Daily Press; Al Daniels was voted to All-League and All-Suffolk by the Daily Press and to All-Suffolk by the Newsday and Herald Tribune; Rocky Nelson received All-League from the Daily Press and All-Suffolk by Newsday and the Daily Press.

The excellent J.V. team gained much experience in their perfect season. This experience will help them to fill the gaps in next year's Varsity team and lead it to victory.



Kneeling, left to right: John Wright, Jimmy Kane, Barry Karlin, Chris Schmershal, John Roosa, John Zoltowski, Wayne Meyer, Jim Peterson, Dennis Hamill, Robert Mosley, Bob Brody, Ted Jasinski, Fred lexander, Donald Walsh. *Standing,* left to right: Tony Densieski, Vinny Franzik, Stan Krupski, Philip Moore, Walt Sliminski, Newton Holman, Tommy Zaloga, Stan Jackowski, Pat Harris, Dan Willis, Richard Ryll, Butch Langhorn, Stanley Regula, Russell Booker, Eric O'Neill, David Bozuhoski, Jerry Mapes, George Perkins, John Ruthinowski, Morris Goldman, Barry Sinclair, Tom Gatz, Coach Stewart.

First Row: James Seymour, Mick Rudd, Tom Carter, Alvin Brown. Second Row: Vernet Lynch, Wally Goodrich, Anthony Mujsce, Barry Benjamin, Robert Jackson. Standing: Coach Gilhooley.

Over Hill and Dale

For the second consecutive year, Coach Gilhooley's Cross Country team captured the A-4 League, County, and Class B New York State championships. Co-Captains, Ed Rudd and Tom Carter led the team on to victory with the sound support of mainly unseasoned runners, except for Barry Benjamin, a Senior. The J. V. team, which finished the 1960 season undefeated, will fill the gaps in next year's Varsity.

First Row: Albert Seay, George Mack, Randy Johnson, Willie Trent, Mike Hepinstall, Buddy Evertson, Joey Randall. Second Row: Kenny Tuthill, Warren Voegelin, Jim Boyd, Peter Silva, Carmal Cajigas, James Everett, Adolph Nics. Basketball

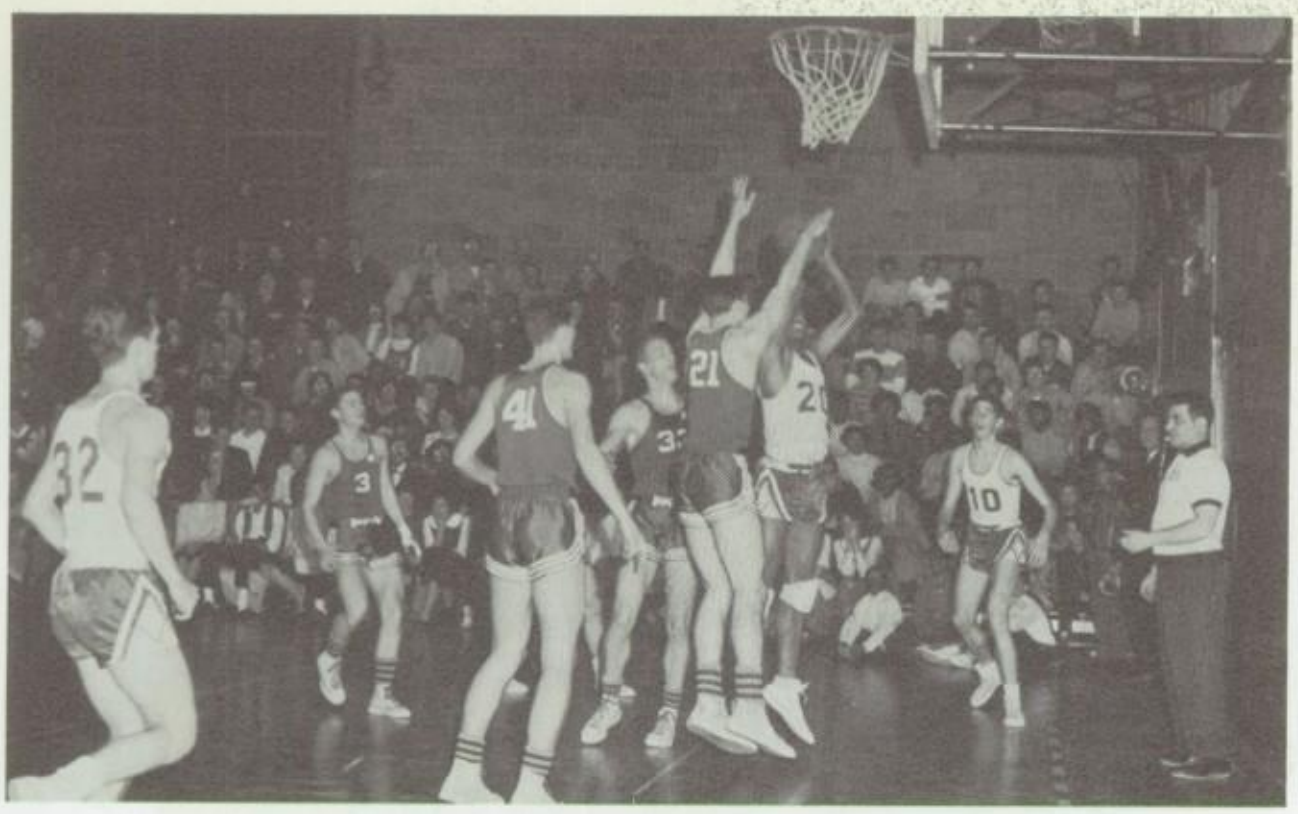
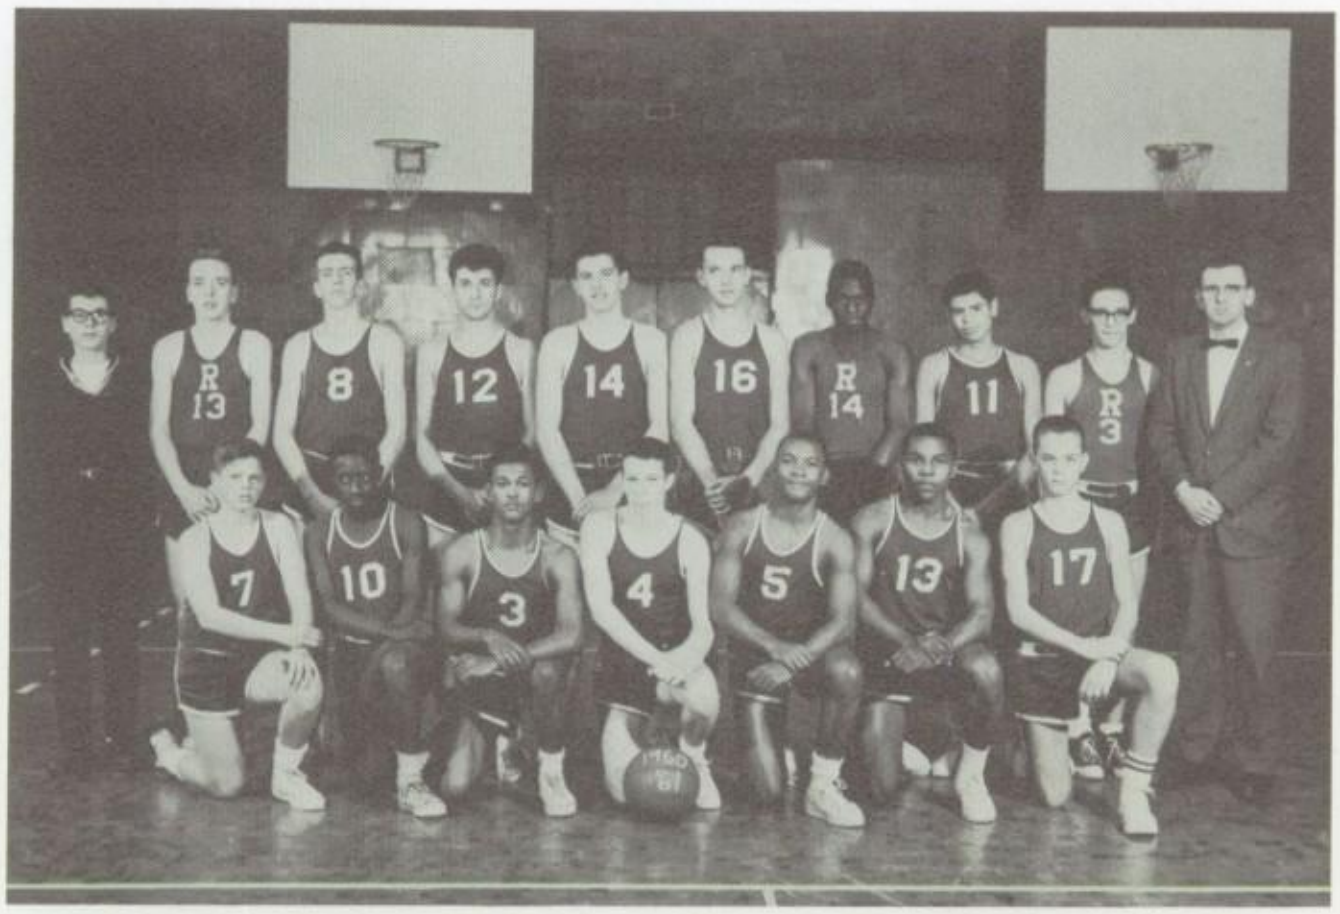
Co-captains: Bill Fabb and Rocky Nelson

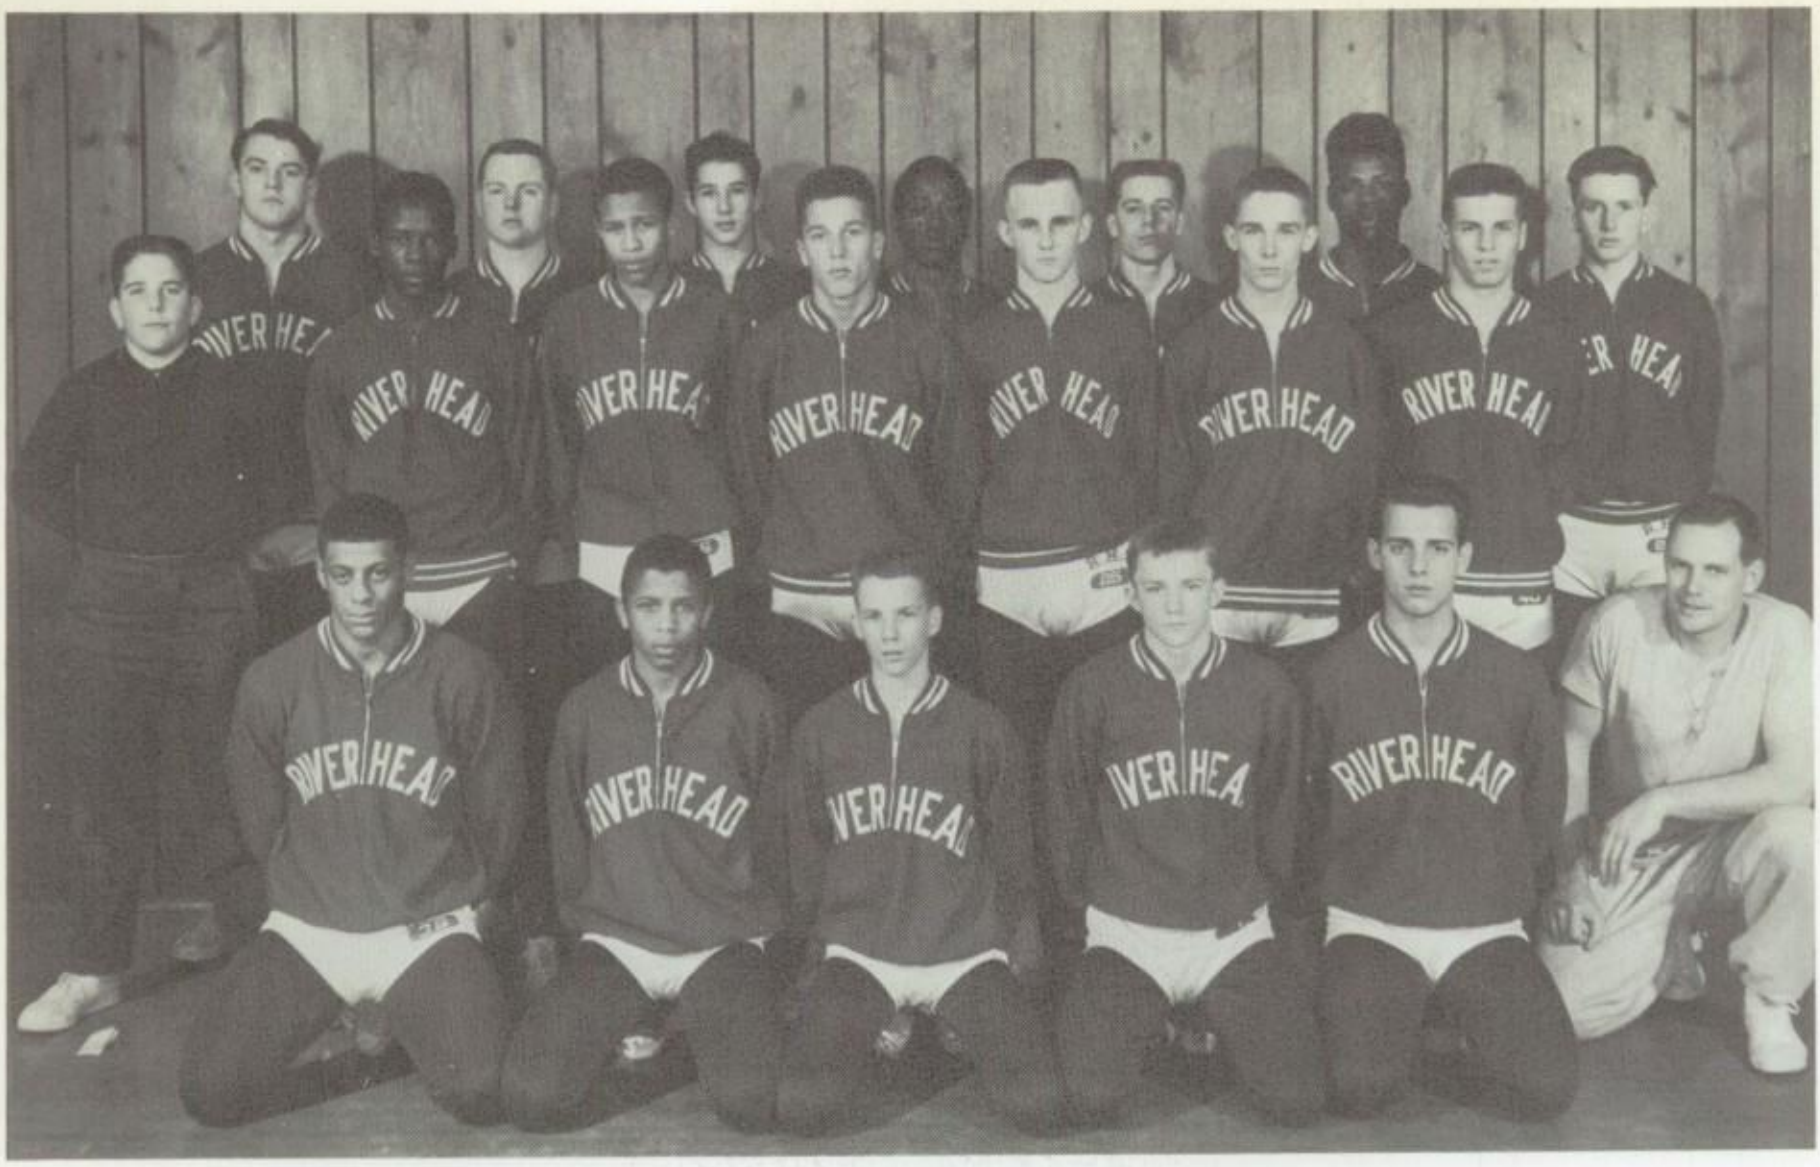
Each of the boys put forth a great deal of effort to make this year's basketball team an exceptionally good one. Finishing in second place with an 11-4 record, the Varsity participated in the championship tournament against Northport. Although the squad will lose Bill Fabb, Jim Zaleski, Al Daniels, and Jerry Nelson, Coach Daniello is fortunate to have such adept players as Ken Kirshner, John Nerenberg, Neil Millman, and Willie Armstrong, who will be the backbone of next year's team. The J. V. players, coached by Charles Van Slyke, also had a successful season. Since teamwork was stressed very strongly this year, J. V. players, Earl White, Jon Blaise, Dennis Hamil, and Richie Brown will be a great asset to the Varsity team next season.



And the score goes up another notch.



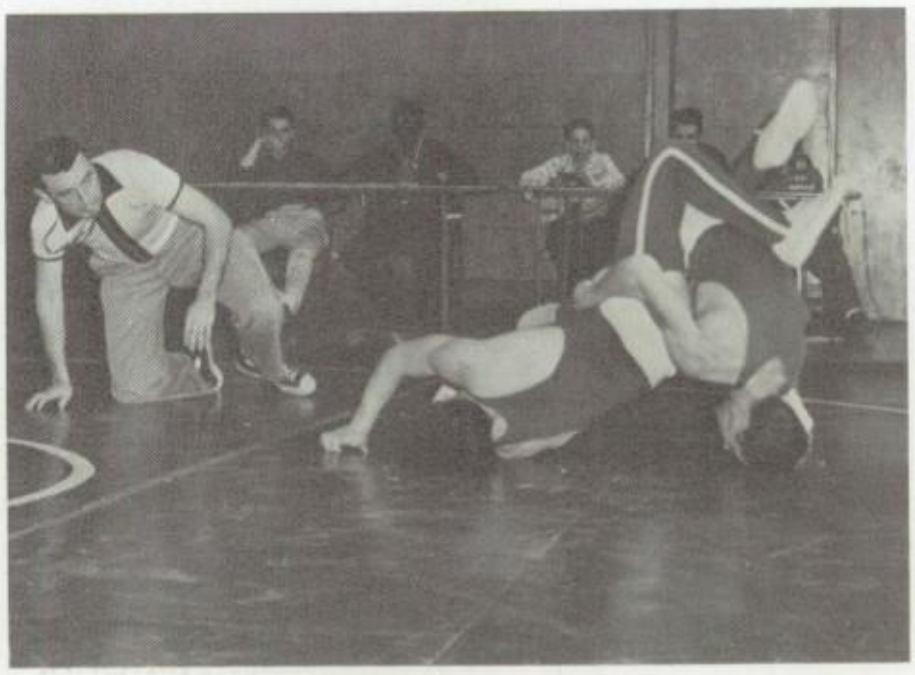
Kneeling: Philip Moore, Vernet Lynch, Mucho Brown, John Blaise, Butch Langhorn, Ernie Brown, Buddy Evertson, Standing: Jimmy Bruno, Manager, Charles Smith, Laurence Reeve, Ted Gadzinski, Dennis Hamil, Vincent Franzig, Earl White, Peter Silva, Robert Brody, Coach Charles Van Slyke.



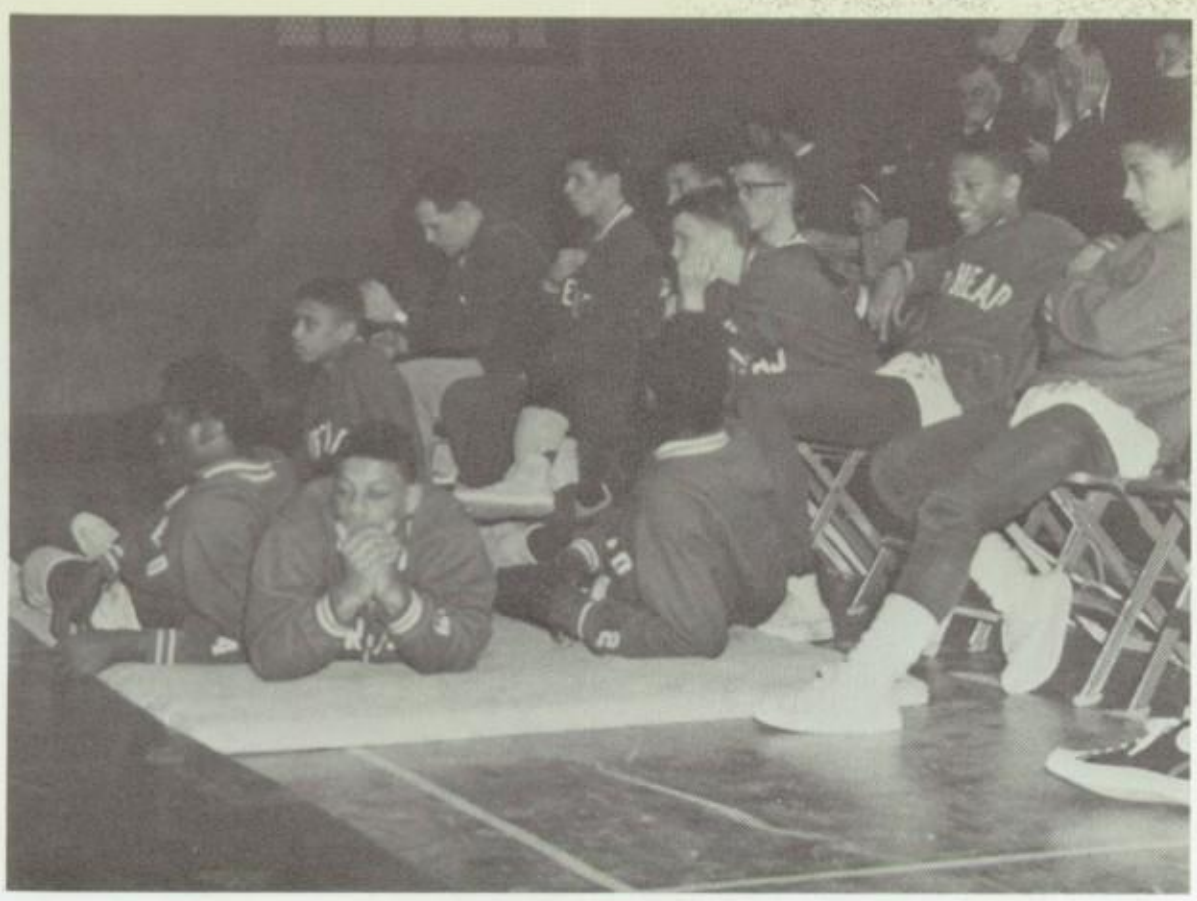
First row, Left to right: Ray Mayo, Pat Harris, Jack Carbone, Adolph Nics, Mike Pace, Coach Walt Stewart. *Second row*: Newton Holman, Joe Mayo, John Harris, Dennis Carbone, Tom Maher, Frank Pollak, Emil Mollik. *Third row*: Doug Schumedja, Bob Atkinson, Kenny Demchak, Henry Pace, Warren Pospisil, Walter Miles, Art Atkins.

Matmen

At the 1961 Suffolk County wrestling tournament, the Blue Wave Matmen placed third in League II, to end an excellent season. Walter Miles and Doug Schumejda walked off with first and second place honors, respectively, in the county tournament; and both placed first in the league tournament. Other league champions were Frank Pollak and Pat Harris, each taking first place honors. With the loss of only three men, Dennis Carbone, Mike Pace, and Frank Pollak, and the gain of an excellent J. V. squad, Coach Stewart's grapplers are expected to be even more successful next year.



Dennis will do anything for a pin!



Somebody better wake Raymond up—he's next on the mat.

Cindermen

Finishing the season with a 11-1 record, to become A-2 League champions, Coach Gilhooley's 1960 track team then went on to win the Section XI County championship. In the New York State championships, Jerry Nelson placed first in the high jump and Matteo Cucchiara, second in the mile. Although the team lost several members, the 1961 cindermen expect another successful season.

Just a few more yards to go, boys.

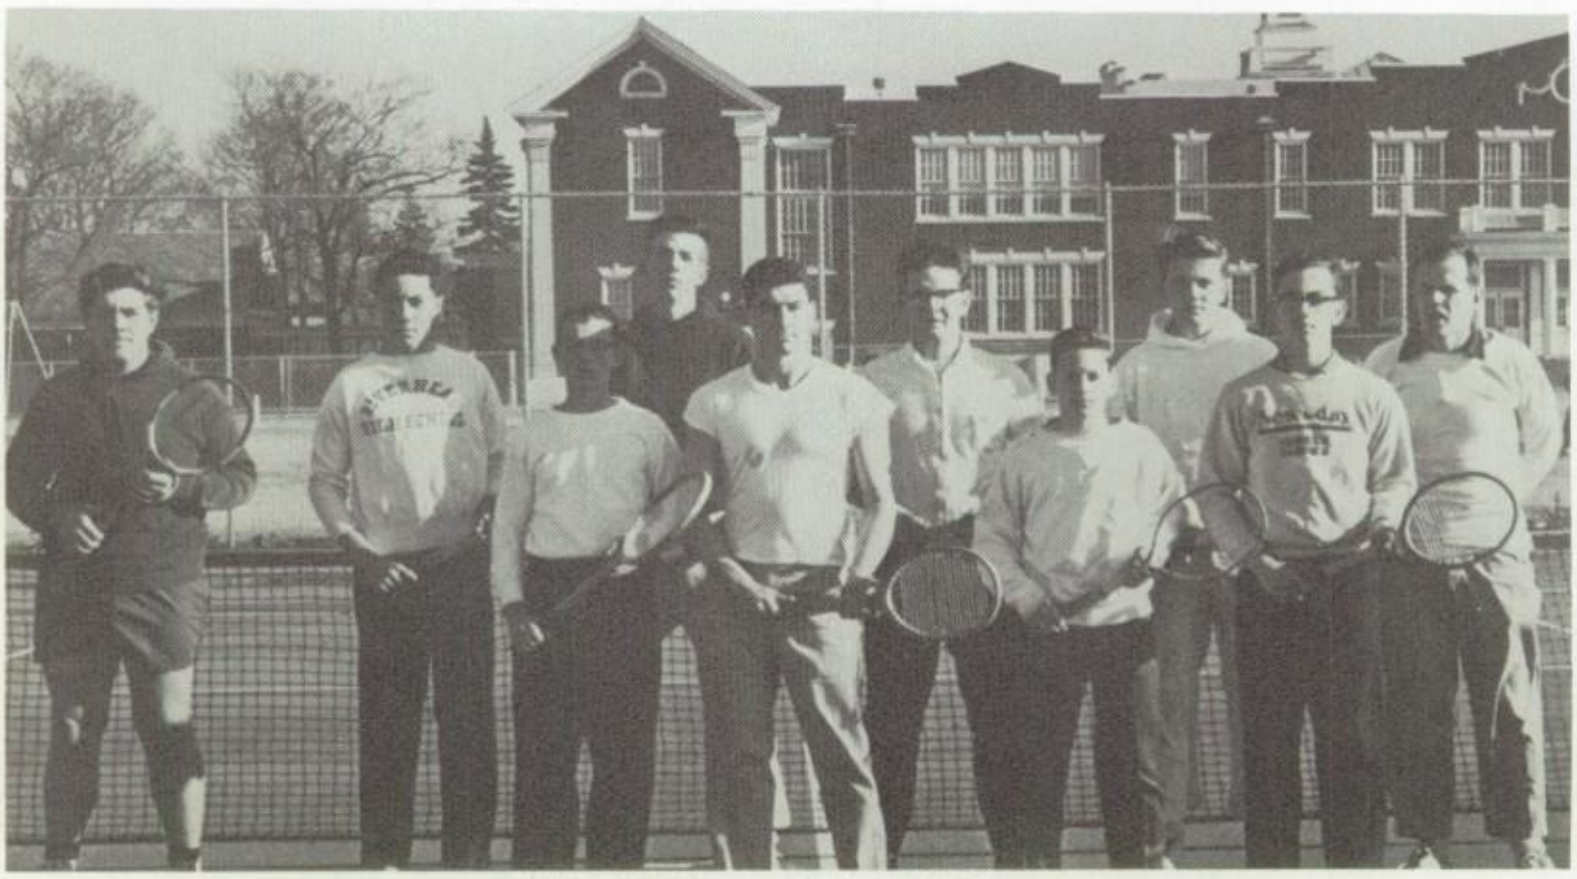
Racquet Squad

Last year the tennis team, with aces Bill Preeg, Peter Van Camerick, and Mick Walters, set an outstanding record of wins for Riverhead High School. The 1961 team with upstarts Tom Maher, John Nerenberg, and Beebe Karzinski, under the excellent coaching of Walt Stewart, is expected to do equally as well as the 1960 squad.



JUNIOR VARSITY

Baseball

"In the spring a young man's fancy turns to thoughts of—Baseball," and the R.H.S. boys are no exception. Last season, supported by pitchers Henry Stasiukiewicz and Joe Winski, and "sluggers" Mucho Brown, Skip Vail, Bill Fabb, and Harry Brown, the team finished with a 9-6 record. As there were no great losses in the lineup, this year should bring another victorious baseball season for the Blue Waves.

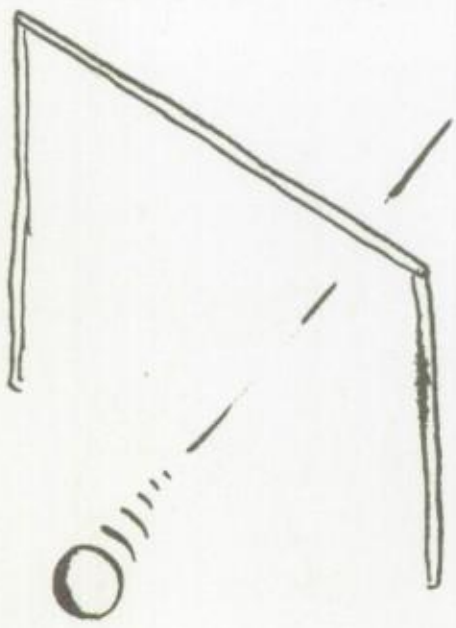
This fall found a large number of girls participating in field hockey, one of the more popular fall sports. The girls practiced enthusiastically during the fall weeks. Finally, after long hours of try outs, an honor team was chosen. A heated clash between the honor teams of Riverhead and Westhampton ended in a scoreless tie. The season's highlight was the annual sportsday held at Eastport.



First row: L. Zambriski, L. Toscano, C. Meyer, K. MacDonald, K. Smith, C. Walker, *Second row*: J. Stakey, M. Randall, B. Hall, A. Kappenburg, P. O'Kula, F. Tinsley.

Soccer

A large number of girls participate in the invigorating sport — Soccer. The only game scheduled for the honor team was cancelled due to the weather, but it did not dampen the exuberant spirit of the team. They did, however, compete in numerous "scrimmages" with the second honor team from which they emerged victorious.

Volleyball

With the start of winter the thoughts of sportsminded girls turn toward volleyball, a favorite of everyone. The highlight of the volleyball season was the annual sportsday held here, in which the first honor teams of eight schools participated. As competition was keen, the girls had a chance to improve their technique.

First row, left to right: M. Nash, A. Torborg, D. Maher, N. Jeanroy, C. Meyer, K. MacDonald, J. Brown, P. Maks, H. Polak, K. Smith, C. Orlowski, L. Reeve, C. Orlowski, S. Dabney, D. Porrello, C. Basketball

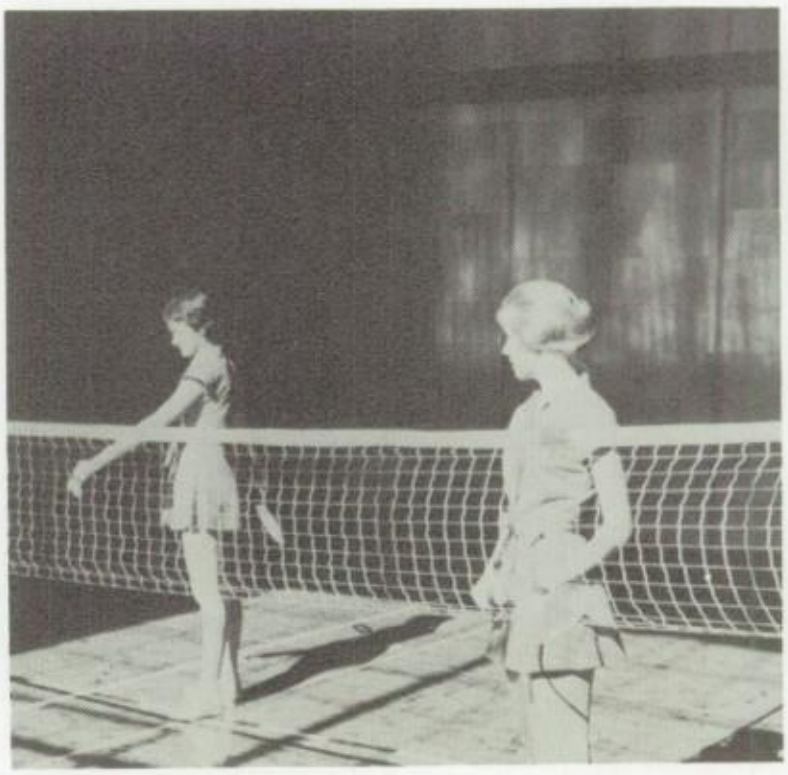
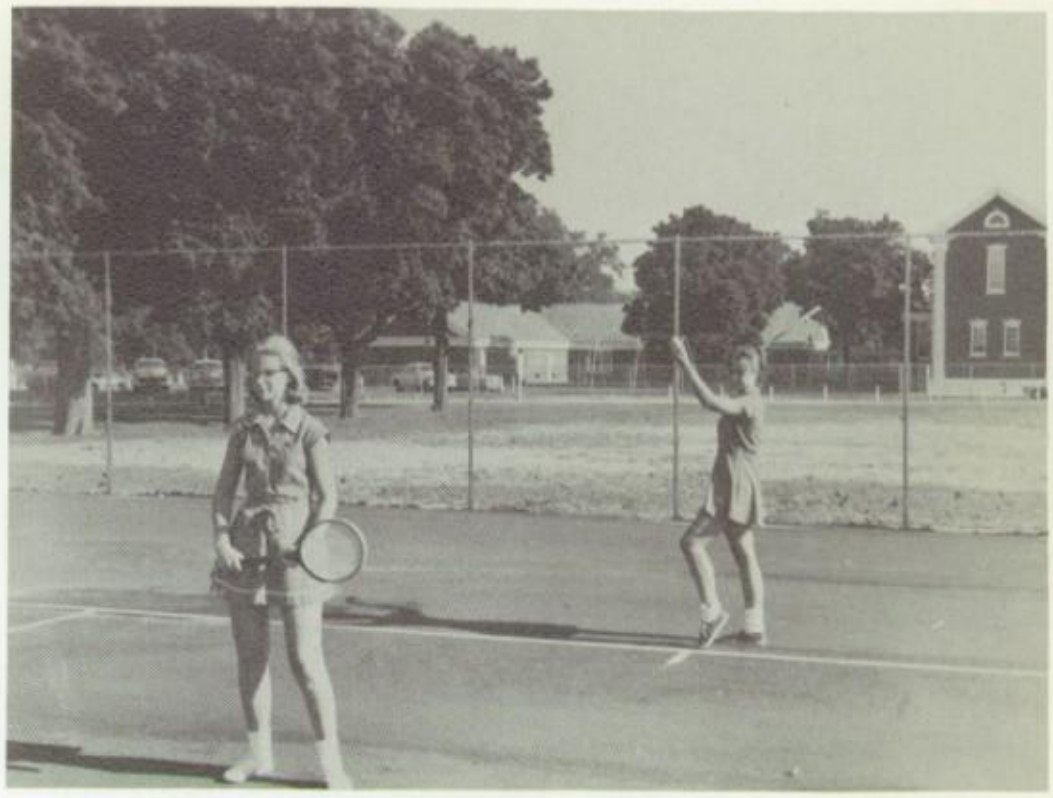
Basketball is one sport which the girls of R. H. S. play with as much vitality and spirit as that of the boys. The first honor team, chosen on the same basis as the boy's varsity, practice diligently to improve their techniques and ability. "Skirmishes" with the second honor team prepared them for the annual sportsday held this year at Southampton. The girls fared well this year losing only to Bridgehampton, a final contendent for first place.

First row, left to right: J. Brown, M. Nash, P. Maks, D. Porrello, H. Polak, C. Goodale, N. Jeanroy, B. Trubicz. *Absent*: R. Pol.

Bases, bats, and softball gloves were brought out of storage to start the 1960 softball season off with a bang. The girls practiced hard and waited with anticipation for the annual sports day at Southampton. On that day all their hard work paid off—Riverhead won first place honors.



The R. H. S. girls play badminton and ping pong together in class. Each girl choses a partner and plays till finally, by process of elimination, one team is winner and champion of their class.



Tennis—one of the most invigorating and enjoyable sports that R. H. S. offers. Last year's teams' singlemen, Barbara Riley and Sue Van Camerick, and doubles, Lesley Reeve and Dottie Porrello, playing under the handicap of soggy Southampton courts, emerged second at the annual sportsday in June.

Each spring archery plays a great part in the girls' sports program. Practice makes perfect and our team certainly proved this. At Southampton this past June the Riverhead girls were honored with first place.

Cheerleaders

"Two-Four-Six-Eight, who do we appreciate?"—The R.H.S. cheerleaders, that's who! This peppy group of girls bounced and cheered their way through the football and basketball seasons. The girls, who did much to encourage good sportsmanship and school spirit, are a credit to their school. In addition they sponsored two very successful post-game dances.

Girl's Leader's Club

Membership in the Girls' Leaders' Club is a high honor for all active and athletically inclined girls. Promotion of good sportsmanship and encouragement of interest in sports are the chief aims of this organization. Besides lending invaluable aid to the gym teachers by managing and refereeing after-school sports, members of the club care for and repair gym equipment. The highlight of the year was a very successful basketball dance.

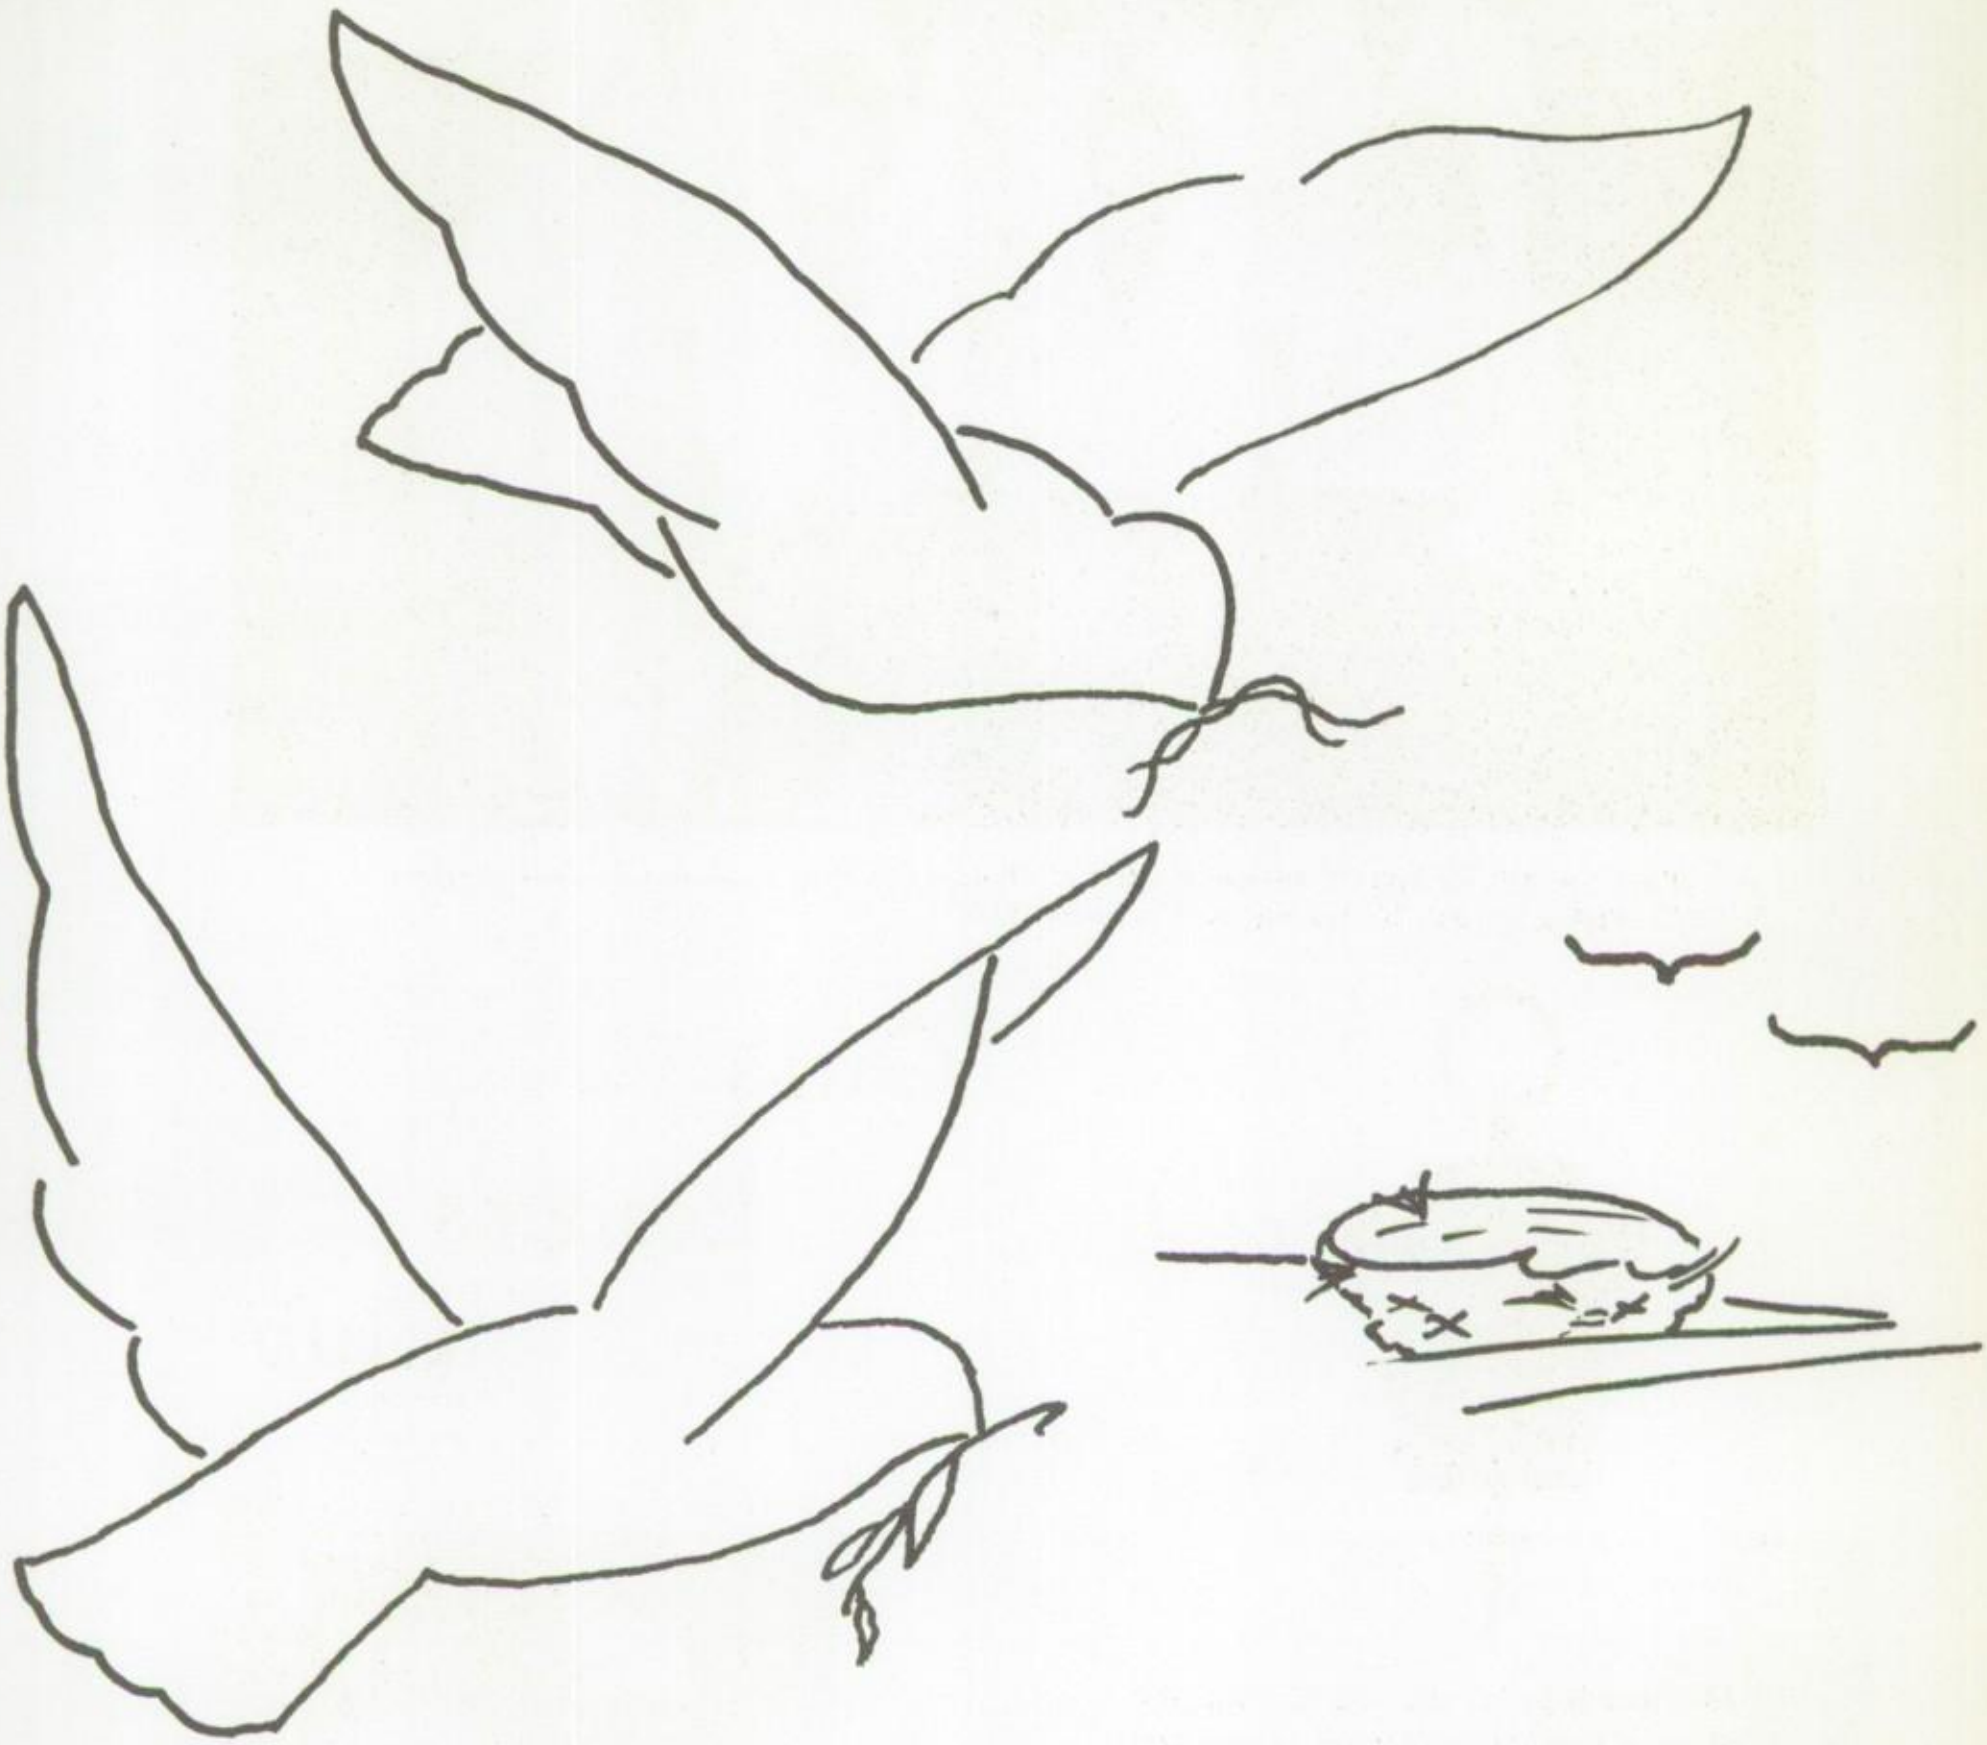
ACTIVITIES



When building a nest, the pigeons follow a "one for all and all for one" policy — each bird contributing his materials and labor to the community project. In Riverhead High School, each student contributes his individual talents that the school may achieve its goals as a unit. A fervent school spirit, which Riverhead High School possesses, makes such cooperation possible.

The band, under the direction of Howard Hovey, contributes much to both the school and community. Marching at football games and in parades is a pleasant duty greatly appreciated by all. The annual spring concert and the music festivals in May are highlights of the year. The reward for a good year's work is an exchange trip with another school.

This year the orchestra is the largest and one of the finest R.H.S. has ever had. Mr. John MacDonald, the director, was extremely proud of the excellent performance they gave before the Suffolk County Zone Teachers' Conference in October. Additional programs were given before the student body and at the Annual Spring Concert. This year the orchestra took a concert tour to several schools on the South Fork. The repertoire included such musical selections as: G. Minor Symphony by Mozart, Suite from the "Water Music" by Handel, Selections from "Music Man", as well as music by Wagner and "Finlandia" by Sibelius. Riverhead salutes its fine orchestra!

Mr. MacDonald, director of the R.H.S. choir, says that the 1960-1961 choir is one of the best the school has ever produced. This year for the first time the choir has practiced in a small room, instead of the auditorium, as it has done in previous years. This factor has enabled it to produce better volume control and a better tone quality. In their annual Christmas program, a lovely Fred Waring arrangement of the "Story of Christmas," they were accompanied on the piano by Charlene Evertsen; soloists were Susan Ramoke, Melanie Medsgar, Charles Botula and David Owens. They did a splendid job on their annual Spring Concert as usual. Some of the numbers in the program were: "Waters Ripple and Flow," "I Believe," and "Salvation is Created," which was especially arranged for and dedicated to the R.H.S. choir. The choir was fortunate this year in getting a complete new set of risers. These risers allow more room and better arrangement of the choir in concerts.

Latin Club

The first two years of Latin are spent primarily in the study of Caesar's commentaries. In Latin Clubs I and II the students explore the background of the Roman empire, using filmstrips, maps, and actual relics of this period.

By the third year of Latin, the student has learned to appreciate the force and beauty of Latin prose. At this time, he is introduced to the works of Cicero. Through his letters and orations, the student learns the politics of the time.

Having realized the need of science in the modern world, Riverhead High school has had a Science Club for the past six years. Supplementing the science courses in the regular curriculum, it encourages individual research into the manifold branches of science. From biology to mathematics, in both county and local science fairs, it has offered competition, which becomes keener each year. This year's advisor, Mr. Charles Lawerence, has been an indispensible guide in shaping the minds of some of America's future scientists.

Yeager, Mr. James F. Pyne; *Third row,* left to right: J. Luce, R. Phillips, S. Krupski, A. O'Kula, J. Harris, C. Bugdin, T. Naugles, S. Guyer.

The Riverhead Chapter of the Future Farmer Association is an ambitious and industrious group. This year the boys sold Christmas cards, collected soil samples for G. L. F., organized coffee breaks for two teachers conferences, and donated a refreshment stand to R. H. S., where they sold those scrumptious Spud Sundaes. The chapter came in first at the Future Farmer Rally at Farmingdale, and Stanley Mitchell won first place in the Future Farmer speaking contest.

OFFICERS (as seated): Nathan Corwin, Sentinel; Joseph Wienski, Treasurer; John Heagy, Vice-President; Frank Wesolowski, President; Herbert Hulse, Secretary; James Droskoski, Reporter.

Press Club

With Mr. Jordan advising, members of the Press Club learn the fundamentals of reporting and editing the news.

Under the direction of co-editors, Jayne Hallock and Philip Dusenbury, the hardworking staff and associate members of the Press Club turned out eight editions of THE BLUE & WHITE this year. Each issue contained articles of interest to all, and the Literary Supplement was published in June.

The editors, Phil and Jane, go over previous editions.

Barbara checks out a book for Allen.

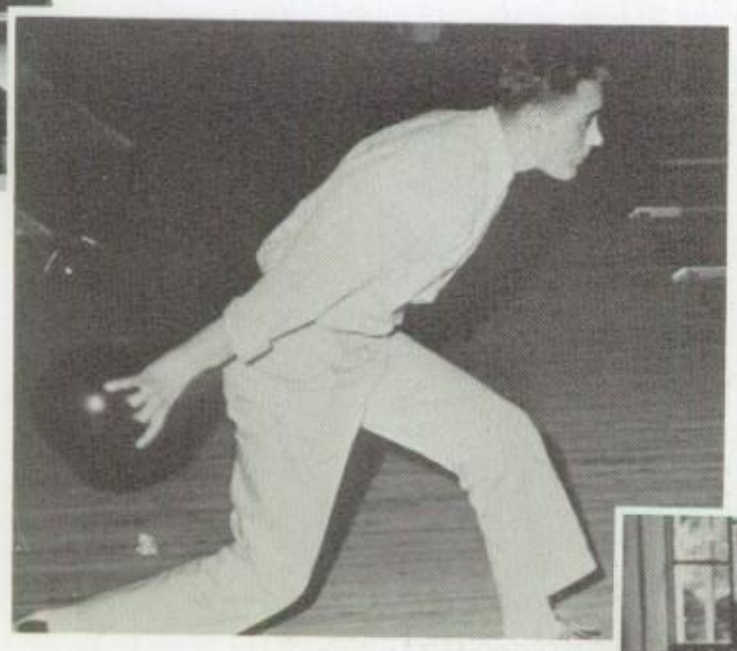
With no more reward than a silver pin for two years of service, engraved after four, the Library Club members shelve, check out books, and perform other odd jobs in an effort to relieve the librarians of their heavy work. Gaining a satisfaction from serving the school, members help keep the library running smoothly and efficiently under the direction of Mrs. Unkelbach and Mrs. Hallock.

Bowling

First Row, Left to right: Sandy Kozerski, Starr Martinsen, Diane Goodale, Barbara Moisa, Barbara Downs. *Second Row*: Howie Jackson, Paul Stifter, Russell Vail, Ken Dean, Dan Griffith, Mr. Comstock.

This year, membership in R. H. S.'s bowling league was the largest and most active the school has had. Under the direction of Mr. Comstock, the teams met weekly at both Riverhead and Wildwood Lanes. A tournament, in which the top ten bowlers of the league participated, was held with the leagues of other schools. Both Lanes presented trophies to the members of the first and second place teams at a banquet held for all the bowlers.

Ready, Sandy!



Aim, Ray!

Fire, Judy!

National Honor Society

Each year, outstanding students of R.H.S. are inducted into the N.H.S. on the basis of Character, Scholarship, Leadership, and Service. Members strive to uphold these qualities in an attempt to set an example of good conduct for the rest of the school. Besides preparing the quarterly honor roll and acting as guides at teachers conferences, which are traditional activities, research for starting a General Organization in R.H.S. was begun this year. Several members took advantage of the opportunity to attend the Herald Tribune Forum held in the spring.

FALL INDUCTION

Mr. Trutner presents the new members with their membership cards.

YEARBOOK STAFF

First row, left to right: J. Urban, D. Maher, B. Riley, P. Wivchar, L. Demarest, W. Siebrecht, C. Meyer, C. Orlowski, C. Orlowski. *Second row*: H. Stasiukiewicz, R. Andersen, P. Clifford, D. Goodale, B. Hall, M. Atkinson, K. MacDonald, L. Reeve, D. Porrello, D. Anderson, B. Bilski, C. Tyska, S. Martinsen, G. Chase. *Absent*: J. Tuthill.

We, the members of the Yearbook Staff, have combined our time, effort, and imagination into our yearbook. The pins we wear symbolize our teamwork. With the help and encouragement of Mr. Beaver, we shared the work and enjoyment of creating this book under our editor, Wilma Sibrecht. Its pages tell the story of life and activity at R.H.S., as compared with that of the pigeons which have made R.H.S. their home. Feeling that we have achieved our goal, it is with pride that we present to you, the students of R.H.S., the 1961 Blue Peconic.

CURRICULUM

All nature's children follow a definite curriculum in their youth. The pigeons must learn to fly, to build nests, and to obtain food in order to survive in their environment. The variety of courses offered to the student of R. H. S. provides him with a well-rounded education, enabling him to successfully combat his problems in society.

Languages

Seniors gathering information for their source themes.

"Words are the tools of thought; without them we cannot think." Through a solid course of grammar and literature the English department of R.H.S. strives to help each student gain a command of the English language — the basis of all his endeavors.

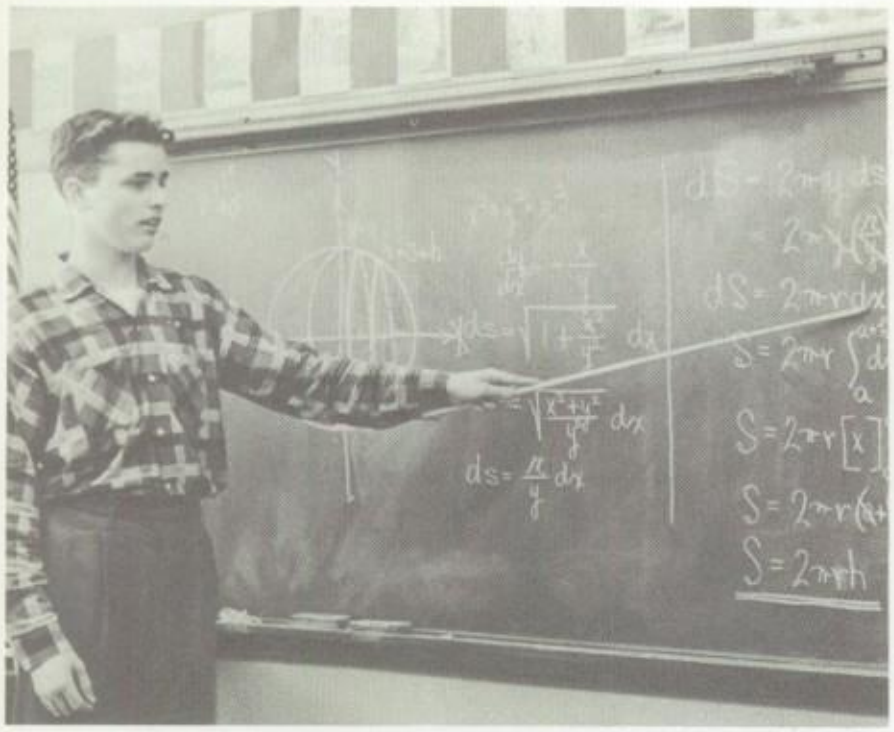
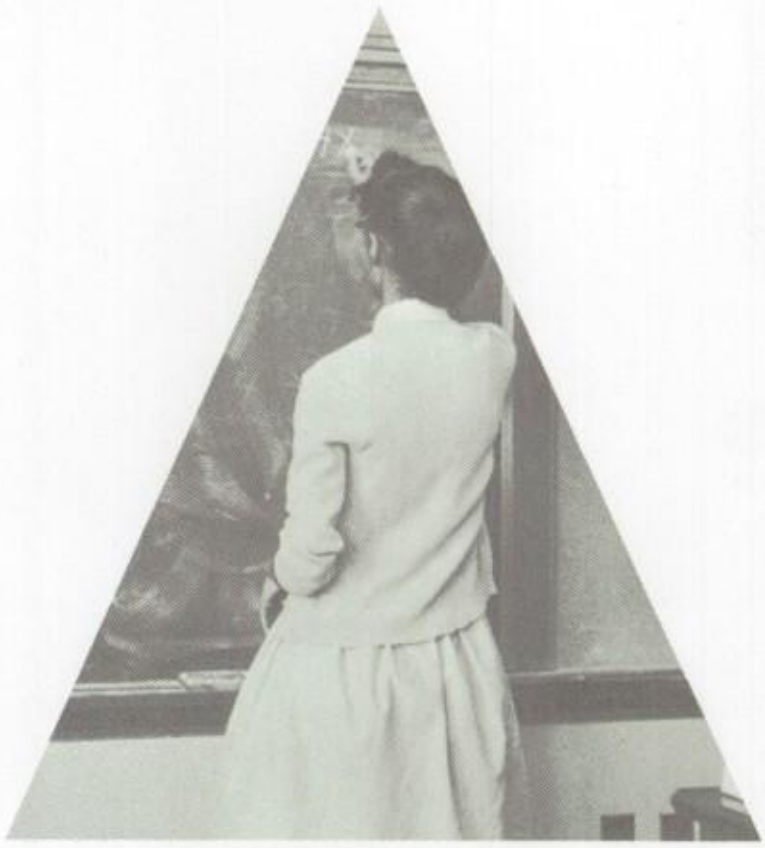
Applying the fundamentals learned the first year, the second-year Latin student becomes acquainted with Roman prose through the tale of "The Golden Fleece". When he has become more adept at translation, the student is introduced to Caesar's commentaries and the orations and letters of Cicero, which also serve to familiarize him with Roman history and politics.

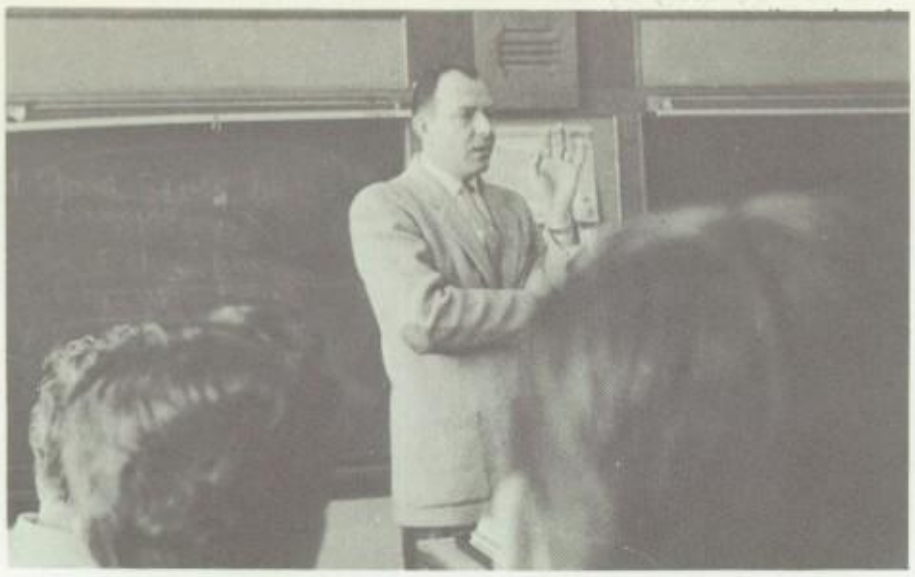
The French students of R.H.S. not only learn French grammar and background, but also get a chance to use it in their various activities. One French II class has made a relief map of France. Tape recorders equipped with earphones are at the disposal of students wishing to perfect their pronunciation.



Mathematics

Mathematics, the science of our number system, has been called the "language of the sciences." It enables us to express the relationship observed in nature and make desired computations. Since its symbols are universal mathematics is one area in which people throughout the world can communicate with and understand each other.





History

Psychology, the 12th year citizenship education course, besides helping the student understand himself, familiarizes him with Social Security, income tax, and other related topics which will aid him in his adult life.

While learning about his country from its discovery and birth as a nation to the present, the American History student follows the growth of a democracy and gains a better understanding of the government and laws of the United States.

Through a broad coverage of history from the times of the ancient civilization to the present, the World History student examines the achievements and failures of man through the ages and the rise and fall of empires.

The 9th year citizenship education course familiarizes the student with geography through map work and acquaints him with the economics of the continents of the world with emphasis on the leading nations.

General Science is a course which covers briefly all phases of the science program.

Sciences

classroom enables all students to view experiments.

In our chemistry laboratory students put to use their newly acquired knowledge.

Earth Science students learn to read contour maps.

Science is a vital force determining the power, prestige and progress of America; but it is also an important and necessary part of our daily lives. The extensive science program offered at R.H.S. gives the student an opportunity to explore various fields of science through classroom discussions and laboratory experiments. In these courses, the teachers strive to broaden the student's knowledge and understanding of the world about him.

Business Education

Academic students of R. H. S. have the opportunity to learn the fundamentals of typing and shorthand which aids them in their high school studies and will continue to help them as they further their education.

Working out problems on the adding machine.

R.H.S. offers many courses for the student who plans a business career. The senior girls who take secretarial practice may utilize their basic training by working for various teachers throughout the school.

Art

Displayed in the showcases in the main lobby, in the Junior homerooms and in the cafeteria, the work of R.H.S.'s art department is evident throughout the school. After the student has taken basic art, such courses as drawing and painting, crafts, interior decorating, and advertising, give him an opportunity to pursue the fields of art in which his interests and abilities lie.

Home Economics

The Girl's Home Economics program enables tomorrow's wives and career women to explore the fields of cooking, sewing, child care, and good grooming, which will someday be a daily part of their lives.

In the Boy's Home Economics course, taught by Miss Kimball, boys learn cooking, care of clothing, and home management; all of which will aid them in their future roles as husbands or bachelors.

Agriculture

Having been taught the principles of farming in the classroom, Agriculture students apply these methods in home-ground improvement and farm experience projects.

Industrial Arts

In the well-equipped metal and wood shops opened to the Industrial Art students of R.H.S., boys learn the technical skills used in business. For some boys these skills become careers; for others, interesting and worthwhile hobbies.

Driver Education

The chief aim of the Driver Education Department of R. H. S. is to promote safety on the highway by instilling in the student the reasons and need for safe driving habits. This course teaches the student both correct and safe driving methods and fundamental facts about the mechanisms of a car engine.
